# ROSIE THE BOW-TIE CAT

Complete Digital Knitting Pattern

**DIGITAL DOWNLOAD ONLY - NO PHYSICAL ITEM WILL BE SHIPPED**

A seated dusty-rose cat with cream muzzle and paws, pale-blush inner ears, embroidered whiskers, a curled tail and knitted bow tie.

# Digital Download Notice

This file is a **digital knitting pattern** for making a plush cat. It is not a finished plushie, and no physical item will be shipped. All finished measurements are calculated design targets. Your result may vary with yarn, needle size, tension, stuffing and finishing.

Rosie is designed as a soft, seated knitted cat with an oversized round head, compact body, cream muzzle and paws, pale inner ears, brown embroidered facial details, a small bow tie and a curled tail. The construction uses stockinette in the round for the main plush pieces and simple flat knitting for the ears, muzzle and bow.

# Gauge, Abbreviations & Construction

## Gauge

**20 sts and 28 rnds = 10 cm / 4 in** in stockinette in the round using 3.75 mm needles. For flat stockinette, aim for approximately **20 sts and 28 rows = 10 cm / 4 in**. Use a firm plushie fabric with no obvious gaps. Exact gauge changes the finished size.

| Abbreviation | Meaning |
|---|---|
| **BOR** | beginning of round |
| **CO** | cast on |
| **BO** | bind off |
| **k** | knit |
| **p** | purl |
| **st(s)** | stitch(es) |
| **rnd(s)** | round(s) |
| **RS / WS** | right side / wrong side |
| **kfb** | knit into front and back of the same stitch; increases 1 stitch |
| **k2tog** | knit 2 stitches together; decreases 1 stitch |

| **k3tog** | knit 3 stitches together; decreases 2 stitches |

## Construction Overview

- Head and body are worked separately in the round from the top/bottom outward, then joined at matching 16-stitch neck openings.

- Arms, legs and tail are worked in the round and sewn to the stuffed body.

- Outer ears, inner ears, muzzle and bow are worked flat.

- **Closing small cast-on centres:** For every piece that begins with 6 or 8 sts in the round, after Rnd 2 use the cast-on tail to close the centre opening securely. Thread the tail around/through the cast-on edge stitches, pull the centre closed, secure on the WS and weave in before stuffing.

- The muzzle embroidery is completed before the muzzle is sewn onto the head so the knots remain hidden.

- Right and left always mean the plushie's own right and left.

- For both head and body, keep the BOR at centre back (CB). Centre front (CF) is directly opposite the BOR.

# Complete Pattern - Head

**Colour A - Dusty Rose. Work in the round.** CO 8 sts. Distribute across DPNs or use magic loop. Join without twisting and place BOR marker at centre back.

**Rnd 1:** k8 **(8 sts)**

**Rnd 2:** kfb in every st around **(16 sts)**

**Rnd 3:** [k1, kfb] 8 times **(24 sts)**

**Rnd 4:** [k2, kfb] 8 times **(32 sts)**

**Rnd 5:** [k3, kfb] 8 times **(40 sts)**

**Rnd 6:** [k4, kfb] 8 times **(48 sts)**

**Rnd 9:** [k7, kfb] 8 times **(72 sts)**

**Rnd 10:** [k8, kfb] 8 times **(80 sts)**

**Rnds 11-24:** k every st on every round **(80 sts after each rnd)**

**Install the eyes now, before the decrease section.** With BOR at CB, CF is the point 40 sts after BOR. Place eye centres between Rnds 16 and 17, one 6 sts to the plushie's right of CF and one 6 sts to the plushie's left of CF. The centres are 12 sts apart. Check that both eyes are level before securing the washers.

**Rnd 25:** [k8, k2tog] 8 times **(72 sts)**

**Rnd 26:** [k7, k2tog] 8 times **(64 sts)**

**Rnd 27:** [k6, k2tog] 8 times **(56 sts)**

**Rnd 28:** [k5, k2tog] 8 times **(48 sts)**

**Rnd 32:** [k1, k2tog] 8 times **(16 sts)**

**Rnd 33:** k16 **(16 sts)**

**Stuffing checkpoint:** Stuff the head firmly and evenly through the 16-st opening. Add small amounts at a time, keeping the face area smooth and the crown rounded. Do not distort the eye spacing. When satisfied, BO 16 sts loosely in knit, leaving a 45 cm / 18 in tail for joining the head to the body.

**Embroidered-eye option:** If not using safety eyes, complete the head without eyes and embroider two dense black circles approximately 13-14 mm across at the same placement after the head is stuffed.

# Muzzle & Ears

## Cream Muzzle - make 1

**Colour B - Cream. Work flat in stockinette.** CO 9 sts. The cast-on edge is the lower edge of the muzzle.

**Row 1 (WS):** p9 **(9 sts)**

**Row 2 (RS):** kfb, k7, kfb **(11 sts)**

**Row 3 (WS):** p11 **(11 sts)**

**Row 11 (WS):** BO 9 sts purlwise. **(0 live sts)** Leave a 35 cm / 14 in sewing tail.

## Embroider Nose & Mouth Before Attaching the Muzzle

With brown yarn, embroider a small rounded triangle nose centred near the upper third of the muzzle, approximately 1.2 cm wide. From the nose tip, make one short vertical stitch downward, then form two mirrored shallow curves to create the smiling mouth. Secure all embroidery ends on the WS of the muzzle; these ends will be hidden after sewing.

## Outer Ears - make 2

**Colour A - Dusty Rose. Work flat.** CO 9 sts.

**Row 1 (WS):** p9 **(9 sts)**

**Row 2 (RS):** k9 **(9 sts)**

**Row 4 (RS):** k1, ssk, k3, k2tog, k1 **(7 sts)**

**Row 5 (WS):** p7 **(7 sts)**

**Row 6 (RS):** k1, ssk, k1, k2tog, k1 **(5 sts)**

## Inner Ears - make 2

**Colour C - Pale Blush. Work flat.** CO 5 sts.

**Row 1 (WS):** p5 **(5 sts)**

**Row 2 (RS):** k5 **(5 sts)**

**Row 7 (WS):** p3 **(3 sts)**

**Row 8 (RS):** k3tog **(1 st)**

Cut yarn and pull through. **Pin one Pale Blush inner ear centred on the RS of each Dusty Rose outer ear, leaving an even Dusty Rose border visible around the sides and base. Whipstitch the inner ear securely in place with matching Pale Blush yarn. Repeat for the second ear.**

# Complete Pattern - Body

**Colour A - Dusty Rose. Work in the round from the lower base upward.** CO 8 sts. Join without twisting; place BOR marker at centre back.

**Rnd 1:** k8 **(8 sts)**

**Rnd 2:** kfb in every st around **(16 sts)**

**Rnd 3:** [k1, kfb] 8 times **(24 sts)**

**Rnd 4:** [k2, kfb] 8 times **(32 sts)**

**Rnd 25:** k32 **(32 sts)**

**Rnd 26:** [k2, k2tog] 8 times **(24 sts)**

**Rnd 27:** [k1, k2tog] 8 times **(16 sts)**

**Rnd 28:** k16 **(16 sts)**

Stuff the lower half firmly so the body keeps a rounded seated base. Stuff the upper body moderately so the neck area remains compressible for a neat head join. Check that CF remains opposite BOR. BO 16 sts loosely in knit, leaving a 50 cm / 20 in tail for neck joining.

**Orientation landmark:** At the widest 56-st section, CF is 28 sts after BOR. Keep this relationship for arm, leg and tail placement.

# Arms - Make 2

**Begin with Colour B - Cream at the paw.** Work in the round. CO 6 sts.

**Rnd 1:** k6 **(6 sts)**

**Rnd 2:** kfb in every st around **(12 sts)**

**Rnd 3:** [k1, kfb] 6 times **(18 sts)**

**Rnds 4-7:** k every st on every round in Cream **(18 sts after each rnd)**

**Change to Colour A - Dusty Rose at BOR.**

**Rnds 8-14:** k every st on every round **(18 sts after each rnd)**

**Rnd 15:** [k1, k2tog] 6 times **(12 sts)**

**Rnds 16-22:** k every st on every round **(12 sts after each rnd)**

Stuff the Cream paw firmly. Stuff the Rose section lightly so the arm remains soft and can angle naturally against the body. Leave the top 1 cm / 3/8 in lightly filled. BO 12 sts loosely, leaving a 35 cm / 14 in sewing tail.

**Pair check:** Both arms use the same knitted shape. Their final positions must be mirrored: paws point slightly inward and downward, with shoulder heights level.

## Arm Placement Preview

On the 56-st body section, place each arm's top ring over approximately Body Rnds 18-23. Use Body Rnd 19 as the horizontal reference: centre one arm 14 sts to the plushie's right of CF and the other 14 sts to the plushie's left of CF. Let each top ring extend vertically over Rnds 18-23. Pin both before sewing and compare from the front.

# Legs / Feet - Make 2

**Begin with Colour B - Cream at the toe.** Work in the round. CO 6 sts.

**Rnd 1:** k6 **(6 sts)**

**Rnd 2:** kfb in every st around **(12 sts)**

**Rnd 3:** [k1, kfb] 6 times **(18 sts)**

**Rnd 4:** [k2, kfb] 6 times **(24 sts)**

**Rnd 5:** [k3, kfb] 6 times **(30 sts)**

**Rnds 6-8:** k every st on every round in Cream **(30 sts after each rnd)**

**Change to Colour A - Dusty Rose at BOR.**

**Rnds 9-12:** k every st on every round **(30 sts after each rnd)**

**Rnd 14:** k24 **(24 sts)**

**Rnd 15:** [k2, k2tog] 6 times **(18 sts)**

**Rnds 16-20:** k every st on every round **(18 sts after each rnd)**

Stuff the Cream toe firmly and the Rose heel/upper leg moderately. BO 18 sts loosely, leaving a 40 cm / 16 in sewing tail. During attachment, keep both Cream toes facing forward and angle them slightly outward.

## Tail - Make 1

**Colour A - Dusty Rose. Work in the round from tip to base.** CO 6 sts.

**Rnd 1:** k6 **(6 sts)**

**Rnd 2:** kfb in every st around **(12 sts)**

**Rnds 3-30:** k every st on every round **(12 sts after each rnd)**

Stuff the tail lightly as you go; it should remain bendable. BO 12 sts loosely, leaving a 45 cm / 18 in sewing tail. Do not overstuff or the finished curl will spring straight.

# Bow Tie

## Main Bow - make 1

**Colour A - Dusty Rose. Work flat in stockinette.** CO 12 sts.

**Row 1 (RS):** k12 **(12 sts)**

**Row 2 (WS):** p12 **(12 sts)**

**Row 12 (WS):** p12 **(12 sts)**

**Row 13 (RS):** k12 **(12 sts)**

**Row 14 (WS):** p12 **(12 sts)**

**Row 15 (RS):** k12 **(12 sts)**

**Row 16 (WS):** p12 **(12 sts)**

**Row 17 (RS):** BO 12 sts knitwise. **(0 live sts)** Leave a 30 cm / 12 in tail.

Join the cast-on edge to the bind-off edge to form a short fabric loop. Place the seam at the back centre, flatten the loop, then pinch the middle firmly to form two equal bow lobes. Take several wraps of matching yarn around the centre to hold the pinch.

## Centre Band - make 1

**Colour A - Dusty Rose. Work flat in garter stitch.** CO 2 sts.

**Row 1:** k2 **(2 sts)**

**Row 2:** k2 **(2 sts)**

**Row 3:** k2 **(2 sts)**

**Row 4:** k2 **(2 sts)**

**Row 13:** BO 2 sts. **(0 live sts)** Wrap the band around the pinched bow centre, overlap the short ends at the back and stitch securely.

# Placement Map - Head & Face

**Head orientation:** BOR is CB. At the 80-st section, CF is 40 sts after BOR. All left/right directions below are from Rosie's point of view.

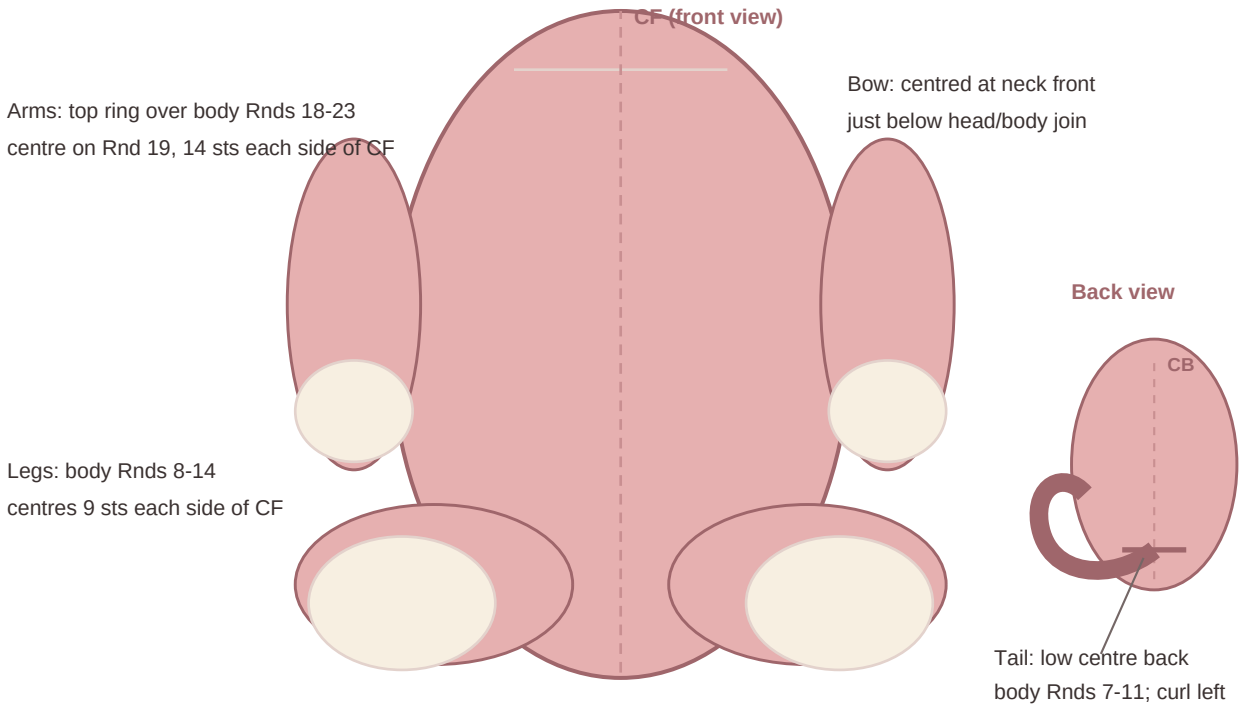

- **Eyes:** between Head Rnds 16 and 17, centres 6 sts to either side of CF (12 sts centre-to-centre).

- **Ears:** pin the 9-st cast-on edge of each outer ear diagonally across Head Rnds 5-9. Use Rnd 7 (56 sts) as the midpoint reference: CF is 28 sts after BOR; mark each ear-base midpoint 12 sts to either side of CF. Angle the two ends of each base across approximately Rnds 5-9. Angle the tips outward by approximately 15-20 degrees and mirror the placement.

- **Muzzle:** centre on CF. Pin the upper edge near Head Rnd 18 and the lower edge near Rnd 29. Shape the piece into a soft horizontal oval before sewing.

- **Whiskers:** make 3 brown straight stitches on each side. Start about 2 sts outside the muzzle edge and extend 2-2.5 cm outward across Head Rnds 20-24. Mirror the slopes left/right.

# Placement Map - Body & Tail

- **Arms:** top rings sit over Body Rnds 18-23. Use Rnd 19 (56 sts) as the horizontal reference and centre the arms 14 sts to either side of CF. Paws point slightly inward/downward.

- **Legs:** attach the upper rings across Body Rnds 8-14, centres 9 sts to either side of CF. The feet sit forward of the body and the Cream toes face front.

- **Tail:** attach the 12-st base low at CB over Body Rnds 7-11. Curve the tail upward and toward the plushie's left when viewed from the back, matching the reference silhouette.

- **Bow:** centre at CF on the neck seam after the head is joined. The bow covers the front join without restricting the arms.

**Before sewing any paired piece:** Pin both sides, set the plushie upright on a flat surface and compare height, angle and distance from CF. Sew only after the pair looks balanced.

# Stuffing & Shaping

| Piece | Stuffing level | Visual target |
|---|---|---|
| **Head** | Firm | Round, smooth cheeks; no dents around eye washers |
| **Body** | Firm low / moderate high | Stable seated base with a softer neck area |
| **Arms** | Firm paw / light arm | Soft taper; paws retain rounded shape |
| **Legs** | Firm toe / moderate upper | Full cream toe pad; heel remains sewable |
| **Tail** | Light | Flexible enough to hold a compact curl |

## Tail Curl Without Wire

After the tail is stuffed and attached, thread a long strand of Dusty Rose yarn from the base along the **inside of the desired curve**, taking small hidden bites through the knitted fabric every 1-1.5 cm. Bring the strand back to the base, gently tighten until the tail forms a compact upward curl, knot securely and bury the ends inside the body. Use only enough tension to shape the tail; do not pucker the outer curve.

## Face Shaping

No needle-sculpting is required. The rounded head, oval muzzle and firm even stuffing create the intended face. If the cheeks look flat, add a small amount of stuffing through the neck opening before joining the head to the body.

**Important access check:** Safety-eye washers must be installed before the head is closed to the body. Complete all stuffing that requires the neck openings before sewing the 16-st head and body openings together.

# Assembly - Recommended Order

**1. Prepare the ears.** Sew each Pale Blush inner ear to the RS of an outer ear. Weave the inner-ear tails into the ear layers.

**2. Finish the face pieces.** Embroider the brown nose and mouth on the Cream muzzle while its WS is still accessible.

**3. Complete and stuff the head.** Confirm the eye washers are secure (or plan embroidered eyes). Stuff firmly and BO the 16-st neck opening.

**4. Attach the ears.** Pin using the head placement map. Mirror the angles. Sew each cast-on edge securely to the head, then add 1-2 tiny anchoring stitches near each lower side if needed to hold the cupped shape.

**5. Attach the muzzle.** Pin it centred on CF, lightly curve the outer edge into an oval and sew around the perimeter with small mattress/whip stitches. Add a tiny pinch of stuffing under the muzzle before closing the final 2 cm if a fuller muzzle is desired.

**6. Add whiskers.** Embroider 3 mirrored brown whiskers on each cheek. Bury yarn ends into the head with a long tapestry needle.

**7. Complete and stuff the body.** Keep the lower body firm and neck moderate. BO the 16-st neck opening.

**8. Join head to body.** Match CF to CF and CB/BOR to CB/BOR. With the long tail, mattress-stitch the two 16-st bind-off edges together all the way around. Check the head remains level before the final tightening.

**9. Attach the legs.** Pin both legs at the lower front positions. Set the plushie on a flat surface; adjust until both feet support the seated pose. Sew the upper leg rings firmly to the body.

**10. Attach the arms.** Pin both arms at equal height. Keep the Cream paws slightly inward. Sew around each top ring.

**11. Attach and shape the tail.** Sew the tail base at low CB, then form the compact upward curl using the internal shaping strand described in the previous section.

**12. Add the bow.** Sew the bow centre band to CF just below the neck seam. Add one hidden tack behind each bow lobe so the bow stays level.

**13. Finish.** Remove temporary pins/markers, bury all yarn tails, gently redistribute stuffing and smooth the stockinette surface by hand.

# Final Visual Checklist

- Head is centred over the body; CF and CB are aligned.
- Eyes are level and the face looks balanced from the front.
- Muzzle is centred and the nose/mouth sit symmetrically within it.
- Ear tips are equal in height and mirror each other's outward angle.
- Arms and legs are paired at matching heights and angles.
- Cream paw/toe sections face forward consistently.
- Plushie sits stably on both feet and the lower body without tipping.
- Tail starts at low CB and curls upward toward the plushie's left.
- Bow is level, centred and not twisting the neck seam.
- No visible stuffing, loose holes, unsecured embroidery ends or exposed yarn tails remain.

## Troubleshooting

| Issue | Practical fix |
|---|---|
| **Stuffing looks lumpy** | Remove a little stuffing and re-add it in small teased pieces. Smooth from the inside outward with fingertips. |
| **Eyes look uneven** | Before washers are secured, re-check the same round line and equal stitch offsets from CF. For embroidered eyes, remove and restitch the lower/higher eye. |
| **Head twists at neck** | Open a short section of the neck seam, realign CF/CB landmarks and resew while pinning the head level. |
| **One limb sits higher** | Remove the higher attachment stitches and re-pin both limbs together before resewing. |
| **Muzzle is off-centre** | Unpick only the shifted side, realign its centre with CF and repin the full oval before closing the seam. |
| **Ear leans differently** | Add or remove a tiny anchoring stitch at the lower ear edge; compare both tips from front and back. |
| **Tail will not hold the curl** | Reduce stuffing in the tail, then retighten the hidden inner-curve shaping strand. |
| **Visible holes between stitches** | Use a smaller needle size or firmer tension for a future version. For the current piece, redistribute stuffing away from the hole and close the gap with matching yarn. |

## Printing & Customer Notes

- This is a DIGITAL DOWNLOAD pattern only. No physical plushie will be shipped.

- Print at 100% / Actual Size for the most readable text. The pattern does not require any page to be printed at an exact physical scale.

- Measurements are design targets and can vary with yarn, tension, stuffing density and finishing.

- For a smaller or larger Rosie, change yarn/needle size consistently rather than changing stitch counts unless you are comfortable recalculating the pattern.

- The pattern file is intended for the purchaser's personal handmade creation unless the seller's separate licence states otherwise.

- Do not redistribute, upload, copy or resell the pattern file or its written instructions.

- Use embroidered eyes instead of detachable safety eyes where appropriate for the intended recipient, and follow local safety requirements.

Thank you for choosing this pattern. Take time to pin each paired feature before sewing; careful placement makes the biggest difference to Rosie's finished expression and seated balance.
